### Key features

Articlecode: 53100.71325

Five year lifetime

Compact size

No maintenance or replacement batteries required

### Product features

The Lalizas Lifebuoy Light features a LED technology flashing light and is designed to withstand the toughest rigours of the commercial and offshore sectors. It is completely watertight and designed to be tamper proof, corrosion resistant and to deliver, as a minimum standard, an omnidirectional output over 2cd for at least 2 hours.
