#### Key features

Articlecode: 53100.74520

Rear-entry, non-encapsulating design

Material: Strong and flexible polyester fabric

Anatomically designed rubber face seal

#### Product features

This gas tight Chemical Suit offers chemical protection for light-duty industrial activities. It is made of strong polyester fabric coated on each side with PVC, making it ideal for low hazard environments. It offers protection against alkalis, low concentration acids and cooling media, e.g. ammonia.
